“ I have only the fondest memories of our wonderful vacations. Ann loved the mountains, and we were able to visit the most beautiful mountain ranges in America. The beauty of this country seen through the eyes of a dear friend is priceless. Spending time with Ann and her family and being invited into their family circle, will be with me the rest of my life. I am so blessed and fortunate to have known such an incredible woman. Heaven has another angel to look out for all of us.
