“ Ed was our dear neighbor for almost 45 years. A wonderful individual. Always kind and giving. Never expecting anything in return. We are saddened by his passing and will miss him and his warm personality. How is this for a neighbor? When we moved into our home, Ed came to us the night we moved in and said we were welcome to swim in his pool anytime we wanted. We were total strangers, yet he was welcoming us in such a kind and generous way.

We have so many fond memories of Ed throughout the years. Rest in peace, Ed.

“ I met Ed some years ago while working at the Yorktown Central School District. He would come and prepare the voting machines for budget votes and elections. He was always kind and a pleasure to work with. He usually had some words of wisdom or a funny joke or two to share for a laugh. Although I only saw him once or twice a year he was a memorable kind of guy. I always think of him when it's budget season and suppose I always will. I am so sorry for your loss. Ed was a special guy.
